**Emergency School Closure Procedures** - sometimes we have to close the school in the event of an emergency (bad weather or flooding, for example). If this happens, we will put a message on the home page of our website; send out messages through the school's app and by text and let local radio stations know.

**Weekly Sports Roundup** ~ the netball and football matches finally went ahead against Charlestown on Tuesday. All teams tried hard and the netball team won - congratulations. The last Par Cross Country took place on Wednesday and though it was muddy, it was not as bad as before. All the runners tried extremely hard and there were some great results. We are awaiting the final placings for the season and will let you know when they come out. On Wednesday a team attended a Basketball Festival at the Roseland Academy and finished joint 3<sup>rd</sup>, well done.
