Child Car Seats

Several of you have been asking about changes to the laws regarding child car seats. The present situation is that unless a primary school child is over 135cm tall, they should use a car seat in a car or in the front seat of our minibus. It is the driver's responsibility to make sure that this rule is adhered to; however the school will check that drivers are aware of it and will encourage parents to provide an appropriate seat if needed. There is no need for a car seat if your child is sitting in the back of the minibus.

There will be new rules coming in later this year regarding backless 'booster seats'. These new rules will mean only children weighing over 22kg (3st 7lbs) who are also over 125cm (4ft 1ins) tall can use the backless seats. However the changes will only apply to new backless seats and not ones already on the market that meet current safety standards. You can continue to use your current model after the rule change and will not need to buy a new one.

I hope that this clarifies the situation!

Fun Charity Evening ~ Mr Bodfish is running the London Marathon 2017 on behalf of the Motor Neurone Disease Association. He is holding a fun Charity evening at The Sea Horse Centre, Pentewan Sands on Friday 27th January 2017, which will include a buffet, four live local acts, Kernow Fun Casino and other attractions. Children are welcome. Please see Mr Bodfish for more information and tickets.

Weekly Sports Roundup ~ the free 2 week trail of Class Yoga came to an end today. It has proved to be really popular with the children so we have decided to take out a year's subscription.
