**After School Clubs** ~ please note there are **NO** clubs running the first week of the Summer Term. There will be a new clubs letter sent during the first week of term.

**Weekly Sports Roundup** ~ it has been a busy week. A group of children went to a mountain bike competition which had a challenging course but the children had some coaching before they took part in the race. On Thursday a large group of children from Elephants competed with great enthusiasm in the cross country at Poltair School. Well done everyone. The school have also participated in an online sports work out with Joe Wicks and had an inspiring assembly from Jack at the Cornwall Cricket Association with some workshops to follow next term.
