St Ewe Country Fair 21st August 2016

Factoid Number 8

Did you know?

It rains a lot in Cornwall – sometimes in August

And boy did it rain in 1996. Despite the weather hardy souls succeeded in setting up the show. Now, we have had rain before but it has cleared up for the day - not in '96.

In fact it got heavier and heavier and in torrential rain the decision was made to abandon the event and a soaked set of volunteers turned away those brave souls who had still made an attempt to attend.

This washout resulted in only £451 being raised, our lowest ever total.

Remember entry forms for the **Horticultural Show** and **stall holder** booking forms are available on line and in print by request. Contact as below.

It is now 16 weeks to this year's fair which returns after a break in 2015 and to countdown there will be a new factoid posted each week leading up to the event. They are all available on Facebook. Please put the date in your diary and keep up to date by; looking out for these posters each week, on Facebook and on the St Ewe Parish website (www.st-ewe-parish.co.uk) notices.
