St Ewe Country Fair 21st August 2016

Factoid Number 9

Did you know?

Tents can fly?

We used to borrow a marquee from ECC and this was still the case in 2007. The type with large wooden poles and plenty of guy ropes. As you can imagine, this brought a smile to the faces of the former Boy Scouts amongst our helpers. Fun was had hammering, hauling, knotting and tensioning until after much blood, sweat and (see below) erection was complete.

Now this tent was shall we say getting on a bit and 2007 was very windy. Poles pirouetted, pegs pulled, lashings loosened and guys gave. We had lift off, a maiden flight. Questions were asked, "Was it a bird, was it a plane or was it Richard hanging on for dear life as he impersonated Superman. Sadly the flight was short, landing was on the roof of the toilets. Tears (see above) were now shed, an insurance claim processed and the marquee R.I.P.

It is now 13 weeks to this year's fair which returns after a break in 2015. Please put the date in your diary and keep up to date by; looking out for these weekly countdown posters, on Facebook and on the St Ewe Parish website (www.st-ewe-parish.co.uk) notices.
