St Ewe Country Fair ~ 21 years old!

It is 21 years since St Ewe Country Fair was first held and over the years it has raised over £64,000 for charities and Gorrán School has been generously supported over the years. In the countdown to this year's fair on 21st August various factoids are being posted each week. Below is factoid no. 7, the previous issues can be viewed around school or you can visit the St Ewe Parish website (www.st-ewe-parish.co.uk).

Factoid Number 7 Did you know?

Size does not always matter

At least not to a gardener (Young Farmers may disagree!). Why? Well 'Best in Show' in the Horticultural Tent was once won by a single Pom Pom Dahlia measuring no more than 2 inches (5cm to the more youthful grower) in diameter.

Entry forms for the Horticultural Show are available now. There are many categories including art and photography. Our entrants have ranged in age for toddlers to octogenarians. You really don't need to be an expert to have a go. Many a time we have heard the comment "I've got one better than that".

Details should soon be on Facebook and the St. Ewe Parish Website.

It is now 15 weeks to this year's fair which returns after a break in 2015 and to countdown there will be a new factoid posted each week leading up to the event. They are all available on Facebook.

Please put the date in your diary and keep up to date by; looking out for these posters each week, on Facebook and on the St Ewe Parish website (www.st-ewe-parish.co.uk) notices.
