## IMPORTANT NEWS ABOUT YOUR JOURNEY TO SCHOOL NEXT WEEK.

28<sup>th</sup> September 2016

Dear Parents

I am writing to warn you all that we have been informed that **the road through Gorran Churchtown will be closed between Monday 3<sup>rd</sup> October and Wednesday 5<sup>th</sup> October** for water works. **The diversion for this will take all traffic past the school** and I am concerned that this will cause a lot of disruption and potential danger during the start and end of the school day.

I have spoken to Kier and they have agreed to not start work until 9.30 each morning, which should help with drop off time, but we will need you to work with us at the end of the day.

What we are doing:

- There will be a 'walking bus' taking children from school to Bell Hill end of our footpath at the end of the day.
- We have permission from the cricket club to allow parents to park in their field at the end of the day.
- We have arranged for a PCSO to attend after school, to keep traffic moving.

How can you help?

- Collect your child from Bell Hill if you live in Gorran Haven.
- Try not to drive unless you really have to.
- Try to share a car – give someone else's children a lift!
- If you have to drive, please park responsibly on the **school side of the road**. If this is not possible, use the cricket club's field.
- Do not obstruct the crossroad junction.
- Let us know if your child's travel arrangements are going to be significantly different from normal.

Kier say that it is likely that the works will only take two of the three allotted days and the forecast is good, so if we are considerate I am sure that we can avoid too much congestion and make pick up time safe.

Yours faithfully

Jonathan Sleep

I would like my child ..... to be taken to Bell Hill by the walking bus whilst the Churchtown road is closed. I will be there to collect them from 3:30pm.

Signed: .....
