

PE and Sport Funding Allocation for 2015/2016 £8694

Gorran School continues to target the funding on further improving the quality and breadth of our PE and sport provision. The aim is to ensure that all pupils develop healthy lifestyles and reach the performance levels that they are capable of. The funding has been used in the following ways to achieve these aims:

- Pooling around 50% of our funding with schools within the Roseland Cluster of Schools to employ a specialist dance teacher and a sports development coach to teach across the schools and provide regular sports tournaments, festivals and competitions for pupils of all ages
- Providing high-quality training for staff within our school, to increase their confidence and subject knowledge in PE
- Providing specialist PE coaching in lessons and after school clubs.
- Buying into the Mid-Cornwall Sports Partnership to access curriculum advice, additional training opportunities and extended sports provision such as Bikeability and Level 2 competitive events
- Delivering a new PE curriculum based on the Real PE scheme, ensuring that all children develop a physical 'literacy' which will equip them with the skills needed to take part in competitive sports as they progress.
- Increasing the school's PE resources, so that we can deliver an exciting PE curriculum.
- Supplementing the costs of maintaining the school's swimming pool, so that we can provide quality swimming lessons to all of our children, as well as offering this facility to children from other partnership schools.
- Buying into the Cornwall Dance Partnership, providing pupils opportunities to perform at a high level in a wider range of venues, such as the Hall for Cornwall and National Trust gardens.
- Supplementing transport to the many fixtures and festivals that we take part in.

Sustainability

- By using our PE coach as we do, he not only coaches our children but trains our teachers at the same time. This has increased the skills of our staff and has allowed them to deliver higher quality lessons and clubs.
- We have invested in PE resources and teaching materials that will allow us to deliver an increased range of skills and activities with greater confidence.
- We have trained some of our older children to support and encourage their peers. The 'Sports Crew' organise activities during playtimes and our 'PE Ambassadors' are responsible for organising sports day, inter house competitions, etc.
- Some of our Year 5 and 6 netballers have been trained as Netball Mentors, so that they can arrange fixtures, coach and referee matches.

Budget 2015/16**£8,694**

Roseland Sports Partnership	£3,600
Mid Cornwall Sports Partnership	£351
INSET	£710
Minibus - transport to fixtures and outdoor Ed	£648
Swimming pool costs	£1,084

Dance Republic	£1,050
PE Equipment	£400
Outdoor Ed - Sailing, etc	£340
Let's Get Cooking - Healthy eating	£150
Total	£8,763
Balance	-£69

Impact

We have used the PE funding to fund a PE Coach through The Roseland Community College. He has spent a minimum of half a day for at 2 terms working with staff to give onsite CPD whilst delivering in the curriculum. The Real PE scheme has been augmented by the Real Gym scheme and Staff have received training on the implementation of this.

As a result of this and the work of our teachers and TAs, we have again gained the Silver Sainsbury's School Games Mark this year.

To encourage healthy lifestyles, our children have received Bikeability training and our Reception children had Balanceability sessions. We have continued to encourage healthy eating through promoting cooking, including the Let's Get Cooking initiative.

We have introduced a regular mile run, which all the children do at least three times a week. This has raised enthusiasm for running as well as fitness levels.

Over the year, We have taken part in over 18 festivals and tournaments, both in the Roseland and Mid Cornwall districts. This has led to wider opportunities for our children to compete, including the chance to go on to compete at county level; notably in cross country. Other wider opportunities have included selection for the Roseland Raiders basketball or Roseland dodgeball teams. Because of our inclusive policies, 98% of our children have taken part in at least one festival this year – an amazing achievement!

We currently have 79% of our junior children taking part in at least one after school PE club and 77% taking part in at least one organised physical out of school activity. Approximately 56% of our infants take part in at least one PE based club.
