

PE and Sport Funding Allocation for September 2013 – March 2014 £5673

Gorran Primary School targets the funding on further improving the quality and breadth of our PE and sport provision. The aim is to ensure that all pupils develop healthy lifestyles and reach the performance levels that they are capable of. The funding has been used in the following ways to achieve these aims:

- Pooling around 50% of our funding with schools within the Roseland Cluster of Schools to employ a specialist dance teacher and a sports development coach to teach across the schools and provide regular sports tournaments, festivals and competitions for pupils of all ages
- Providing high-quality training for staff within our school, to increase their confidence and subject knowledge in PE
- Providing specialist PE coaching in lessons and after school clubs.
- Buying into the Mid-Cornwall Sports Partnership to access curriculum advice, additional training opportunities and extended sports provision such as Bikeability and Level 2 competitive events
- Implementing a new PE curriculum based on the Real PE scheme, ensuring that all children develop a physical 'literacy' which will equip them with the skills needed to take part in competitive sports as they progress.
- Increasing the school's PE resources, so that we can deliver an exciting PE curriculum.
- Supplementing the costs of maintaining the school's swimming pool, so that we can provide quality swimming lessons to all of our children, as well as offering this facility to children from other partnership schools.
- Buying into the Cornwall Dance Partnership, providing pupils opportunities to perform at a high level in a wider range of venues, such as the Hall for Cornwall and National Trust gardens.
- Supplementing transport to the many fixtures and festivals that we take part in.

Impact

- As this is a new funding stream, it is too early to measure the impact of these actions on the engagement, health and fitness of our pupils. However, staff have already benefited from training opportunities that have increased their skills in delivering the curriculum, promoting the development of physical skills in PE and sports lessons.

Roseland network	£4,500.00
Mid Cornwall Network	£236.00
Cornwall Dance partnership	£175.00
Additional PE coaching	£1,680.00
