## **Coronavirus**

### **Advice for parents/guardians from HM Government**

You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your children should not continue to attend their early years, school or further education setting as normal.

### **What action you can take**

A UK wide campaign has been launched to provide clear advice on how to slow the spread of Coronavirus. Please help to support the campaign which promotes basic hygiene practices, such as regularly washing hands and always sneezing into a tissue, to stem the spread of viruses.

**Breakfast Club would like to thank 'One for the Road' for their very kind donation. They have bought some lovely new resources and are having great fun using them.**
