Monday 28th June INSET DAY - school closed to pupils (subject to change)

July

Friday 23rd Last Day of Term

Happy Retirement Heather

Friday 26th February - School Closed

The Prime Minister is due to announce on Monday 22nd February the plans for schools reopening. If, as expected, he announces that primary schools will reopen on Monday 8th March we need to start organising for all the children to come back. During lockdown we have merged bubbles with Lions and Zebra classes being one bubble and Elephants and Giraffe classes being another. To be ready for the return to school we need to separate back into class bubbles so that the classes can "quarantine" before the return of their classmates.

The plan is to close the School on Friday 26th February so that we can give the school a deep clean. Then on Monday 1st March we will have the keyworker children back into their four class bubbles with their usual teachers and teaching assistants. Then, hopefully, on Monday 8th March we will be ready to welcome back the rest of the children.

Obviously, this all depends on what is announced by Government on Monday 22nd February.

If the school closure on Friday 26th causes any problems for the keyworkers whose children have been in school please could you contact the school on Monday 22nd February and we will try to help.

Gorran Food Bank - A food bank has been set up just outside the school for anyone that needs it. The boxes of food will be there between 10am and 4pm at the weekend and during half term week. Please do come and use it if you have a need and let friends, family, neighbours know that it is there. There have been some very generous donations by the local community and there are plenty of tins, jars, pasta, toiletries, eggs, fresh fruit and veg etc.
