CORNWALL MUSIC SERVICE TRUST ~ Music for One & All

From year 3 upwards pupils can learn a musical instrument at school. Outside tutors from the Cornwall Music Service Trust come into school and deliver lessons. At present there are Guitar, woodwind and drum lessons taking place. If your child is interested in taking lessons, please use the website above to enquire and to find the cost of these lessons.

Parking and Voluntary One-Way System

As parking is very limited at school we have, for several years, used a voluntary one-way system to try and ease the congestion in the morning and afternoon. The idea is for everyone to come through the village and drop off and pick up children with the school on the left of their cars, then proceed down Crooked Lane back onto the Gorran Road. This should keep a smooth flow of traffic in front of school in one direction. Please remember to park only on the school side of the road - preferably in the lay-by and not to park in front of the school car park entrance. Please also be aware that parking too close to the junction makes visibility poor. I know that parking can be difficult but if everyone continues to be considerate and aware of the importance of the children's safety I am sure that problems will be reduced.
