Head Lice ~ there are outbreaks of head lice in school and wish to remind you all of the steps you need to take to help eradicate this problem. Please check your child's hair (and other family members) and treat if necessary. The recommended treatment is to use lots of conditioner and comb through wet hair using a special head lice comb. This should be done frequently until the problem is clear. It is advised that if your child has long hair that it is tied up at school. Many thanks.

Wishing you all a Happy New Year
