The Golden Boot

This is a nationwide event to encourage pupils to make active journeys to school, improve air quality in their neighbourhood and discover how these changes benefit their world.

On each day of the challenge, we will log with Sustrans how many children walk, cycle or scoot to school. Nationally, schools will compete to see who can get the highest percentage of their pupils walking, using a wheelchair, scooting or cycling to school. Schools will be entered into a daily prize draw for rewards including equipment and accessories if over 15% of pupils walk, use a wheelchair, scoot or cycle on that day of the challenge. Our school's best five days will determine our final position. The **Golden Boot** will be awarded to the best class.

We would encourage you to take part in this event if at all possible. If you live further away, you might think about parking up somewhere like the Barley Sheaf car park or on Bell Hill and walking, cycling or scooting the final part of the journey, so that your children can feel part of this event.

'Sprint For Seals' 3km family fun run is back on Sunday 14th May 2023!

British Science Week Family Event Saturday 18 March 2.00-3.30pm
