Sports Roundup - the football and netball teams went to Bishop Bronescombe school this week to play their matches. Mr Jones, the coach of the yr 3+4 team said he was really proud of the team, it's amazing how far they have come on since the beginning of the season. They were playing against a really good team and they held their own which was brilliant considering a few of them had never played football before joining the club. They should be very proud of themselves. The yr 5+6 team had to play their match with only 7

players, no substitutes were available due to illness. Again, the Bishop Bronescombe team was not an easy team to play but the Gorrans players figured it out and won the game with Cooper scoring two goals. They should all be very proud of themselves also. Mrs Oakley was also very proud of the netball team. There was good passing and marking and also good communication and movement around the court. They have come on so much since the beginning of the season.

Forest School - Mr Jones handed out Fire Safety Certificates and photographs of their adventures to the pupils that had participated in the first Forest School of the year. He said they had all gained in confidence and skills over the weeks and they had been a joy to have.

Netball Club - after half term the club will be for the year 3 & 4 children who have signed up for the club after Christmas.

The [NHS Cornwall and Isles of Scilly website](#) has some useful tips to help you when your child is ill, including spotting serious illness in children, deciding if your child is too ill for school and how to deal with children's minor injuries.
